I think I remember seeing him play it
like this though (15 years ago, yeah right!)

```

|-----|-----|  
|3-5-5h75h7-0h3-|5-5h75h7-0h3-|
```

Cindy plays a G and D on the bass line and John's bar
chords
follow this G and D in the break after the second chorus.

From sober to sultry

G C G C C G
I've got you on my mind in all soft talking time.

In wastelands of romance

Into a mystic blue remembering of you

Electra I know it's you because there's music bidding all
your time.
