G C G C  
You say my call is important to you  
G C G C

G C G C  
And says he will do it for cheaper  
G C G C G C G C  
He'll get my two cents he'll get my loyalty  
D  
Maybe as you say on my resume it states  
C G  
I'm a man of many skills  
D  
Well I'm sure I had 'em all but like Reagan I can't recall

[Chorus]

G C Em Am  
(All in all I can't recall)  
G C Em Am  
I'm a liar a liar a liar

[Verse]

| G C | x4  
G C G C G C G C  
You smile and check your lipstick in the mirrors and smoke  
G C G C G C G C  
Nod in agreement and sip your de-tox tea.  
G C G C G C G C  
And pointedly you ask me what should be the take-away  
G C G C G C G C  
Your teeth are white and your pants flambé

D  
 I promise we'll dance in the north of France  
           C  G  
 Sometime in the next two years  
 D  
 But I'm cutting through life with a butter knife.

[Chorus]
