

It's All One (The Reivers) from the album "Pop Beloved"
Written by John Croslin

Transcribed by Malcolm Smith

[Intro]

| G | F#m | Em | A | x2

[Verse]

 G F#m Em A
Just as I was in the clear, you were standing in the way
 G F#m Em A
Scratch my head I see you're moving in to stay
 G F#m Em A
Busy people go to town, we just watch the sun go down
 G F#m Em A
Now it's looking very deadly hot and round

[Chorus]

 D Bm F#m Em A
I get caught up and I forget, that night is day without the sun
 D Bm F#m Em A
But I see you and you explain, that it's all one, yes it's all one

[Verse]

| G | F#m | Em | A |
 G F#m Em A
Now the witching hour has passed what you say it still remains
 G F#m Em
It is simple but it makes no sense to me

[Solo]

| A | G | F#m | Em | x2
| A |

[Chorus]

[Bridge]

 G A G A
Now before I lived with you, little I knew but I could believe so much
 G A G A
And then slowly I learned, slowly I turned, turned them around

[Verse]

 G F#m Em A
Your futon, your cigarettes, I can't stand them anymore
 G F#m Em A
Scratch my head I see you walking out the door

G F#m Em A
 When I think that I can't take it and I wish that I could leave
 G F#m Em A
 Stuck in Austin with my heart upon my sleeve

[Chorus] repeat chorus chord pattern to end.
