[Intro]

[Verse 1]

A E F#m  
Every night when we get up  
D A  
It's a crazy time  
E F#m  
And I swear you're so low slung  
D A  
I swear it all the time  
E F#m  
Now I hate to bring this up  
D A  
Bring it up again  
E D  
For the hundredth time this month  
D  
For the thousandth time

[Pre-chorus]

E D E  
Now you believe it can't come true  
D E  
But you want it with all of your heart  
D A  
Now you believe it can't come true

[Chorus]

E G  
I go over and over with you  
D A  
We go up and down  
E G  
We go over and over we do  
D A  
We go round and round  
E D  
Now if we had the chance to choose  
F#m  
Would we stay?

[Verse 2]

A E F#m  
 Every day I curse my luck  
 D A  
 In the nick of time  
 E F#m  
 You say you're tired of life  
 D A  
 You say it all the time  
 E F#m  
 Every night when I get home  
 D A  
 Oh, there's something wrong  
 E D  
 You just want to be alone  
 D  
 It's the same old song
